Subject : Embargo of snub-nosed dog breeds for carriage on TG

Please be informed that THAI Cargo decided to stop accepting of snub-nosed dog breeds such as Pugs, Bulldogs and Pekingese etc. due to very high risk for mortality causing by respiratory problems that increase with stress.

Especially Pugs would find hot climate difficult to handle if a Pug does a few rounds under a scalding sun, it can collapse. Such dog has to be guarded from the other climatic extremes as well.

Therefore, THAI Cargo shall impose embargo of snub-nosed dogs for carriage on all TG flights with immediate effective until further notice.

Kindly circulate the updates to your concerned functions accordingly. Thank you very much for your cooperation.

Yours sincerely,

M.R. Chirasak Chandratat
